

Build a wizard or witch. Spell to power them up.

1

Find your username + code

Your teacher will give you a username (like *amelia.brown*) and a code (like BUNK or PIXL). Keep them somewhere safe!

2

Sign in

Open SpellCast and pick "I'm a kid". Type your username and code, and you're in.

3

Dress up your spell-caster

Every right answer earns spell points. Spend them in the Wardrobe on hats, cloaks, staffs, pets — and make your wizard yours.

The Challenge

Five words at a time. Hear, type, win.

Training Grounds

Tricky words? Get help and try again.

Spell Sprint

60 seconds. Spell as many as you can!

My Spellings

This week's villains. Defeat them all.

Five minutes a day beats a big rush on Friday. **Build a streak** — and become the hero of the spelling realm.
